

# Excursion to Luna Park, Milson's Point

On Sunday 15th March 2009, SWITCH will be going on a social to Luna Park, Milson's Point. The preliminary arrangements are that we will be going right after lunch, catching a train to Milson's Point. After about 3 hours, we will then catch a train back to Lindfield Station where you are able to pick up your children.

There are different prices for tickets depending on the use. See their website ([www.lunaparksydney.com](http://www.lunaparksydney.com)) for details. We will buy tickets on the day.

If you could please fill out the following permission slip and hand it back to the SWITCH leaders by Sunday 8th March so they can arrange the transport.

Should you have any further questions, please feel free to contact Pastor David Chen (0405 362 073) or Ernie Au-yeung (0425 208 982)

I, \_\_\_\_\_ give permission for \_\_\_\_\_ to travel between EFCA Lindfield Church building and Luna Park, Milson's Point on Sunday 15th March after lunch.
