

# Giving a Testimony

A testimony can be defined as an honest and accurate account of God working in your life. Everybody who has become a Christian and is becoming more like Jesus has a unique, interesting and powerful testimony, regardless of whether or not it appears spectacular. The aim of sharing your testimony is to help others see a living and personal example of how Jesus changes people's lives.

## Ingredients of a good testimony:

- It is personal, not preachy
- It is short
- It keeps Jesus central
- It is honest
- It uses the Word of God
- It has a challenge
